JOBS AVAILABLE THROUGH THE ALASKA LOCAL HIRE PROGRAM--PUBLIC LAW 96-487

Lake Clark National Park and Preserve is accepting applications for full-time temporary maintenance positions. More than one position may be filled from this bulletin.

POSITION

Maintenance Worker, Trails WG-4749-07
\$29.75 to \$34.71 per hour

DUTY LOCATION

Port Alsworth, AK

BENEFITS: Paid holidays, annual and sick leave. Temporary, seasonal, and intermittent employees on appointments expected to last at least 90 days, and expected to work a schedule of 130 hours or more a calendar month, will be eligible to enroll in a Federal Employee Health Benefit (FEHB) health plan upon notification from their employing office. Eligible employees will be responsible for the employee share of the premium while on the official agency roles, which will be deducted from bi-weekly earnings. In the event of an accident while traveling in a government aircraft, the payable benefits of a private life insurance policy may be affected. Relocation expenses are not authorized. Any travel, transportation and relocation expenses will be the responsibility of the selected employee.

APPOINTMENT INFORMATION: Temporary, full-time, approximately mid-May to mid-November. The appointment may be extended for an additional period (not to exceed 1039 hours total employment). Persons selected may be eligible for rehire in future years. Schedule may involve weekend work or performance of duties before or after "normal" working hours. Travel in small planes, boats, and ATV and camping in the backcountry will be required. Government housing is not available. More than one position may be filled from this posting. Must be at least 18 years of age. A valid driver's license is required.

DUTIES: Maintenance Workers at this level perform carpentry work, plumbing, and painting duties involved with maintenance, repair, restoration, rehabilitation and stabilization of historical and non-historic structures. They complete carpentry, plumbing, and painting projects according to accepted trade standards, following verbal and written instructions, work orders, blueprints, building plans, sketches and building codes. Maintenance Workers use and maintain hand and power tools and other equipment associated with these trades. They transport tools, materials and employees to job sites and operate trucks, passenger vehicles and light equipment. Operation of motorized boats will be required for position. Travel up to eleven days per month will be required.

ELIGIBILITY TO APPLY: Any U.S. citizen who has acquired special knowledge or expertise regarding the natural or cultural resources of Lake Clark National Park and Preserve, by reason of having either lived or worked in or near the park. This level of knowledge would be acquired by **having lived or worked in or near the park for at least 12 months, to include all four seasons.** Short term residency is not qualifying as this would not provide the level of knowledge or expertise that is gained through experiencing the range of climatic conditions associated impacts on the resources.

Areas considered “near” Lake Clark National Park and Preserve are: Iliamna, Newhalen, Nondalton, Pedro Bay, McGrath, Tyonek, Dillingham, King Salmon, Chignik Lake, Chignik Bay, Naknek, Port Heiden, Togiak, Levelock, Koliganek, Igiugig, Ekwok, Egegik, Clark Points, Aleknagik, Perryville, Pilot Point, Manokotak, and New Stuyahok.

QUALIFICATION REQUIREMENTS: Qualifications will be determined by evaluating experience and education as described in the resume, particularly in the Knowledge, Skills, and Abilities listed below. All qualification requirements must be met by the closing date of this job posting.

KNOWLEDGE, SKILLS, AND ABILITIES (KSAs):

The answers to the following questions will help us to evaluate your qualifications to perform the duties of this position. Please note that only qualified applicants will be referred. It is important to provide detailed information about your experience, particularly in the following KSAs. Describe experience (paid or unpaid), education, training, awards and self-development that show your level of experience related to each KSA.

To be considered for a maintenance worker position you must have at least two of the following trades: carpentry, plumbing, painting, roofing, electrical or cement finishing. These trades must be clearly identified and documented in your application package.

Use a separate sheet of paper with corresponding numbers for answers.
